Welsh Government has produced a number of factsheets and infographics relating to the Social Services and Well-being (Wales) Act, some of which you can find below.

Performance Measurement Framework

This factsheet provides information about the performance measurement framework for local authorities in relation to their social services functions under the Act.

Social Services National Outcomes Framework

This factsheet has information about the social services national outcomes framework for people who need care and support, and carers who need support.

The Local Authority Annual Social Services Reports

This guidance supports local authorities to prepare their annual social services reports.

Download the guidance in two sections:

- Download the Section 1 for background and guidance on the preparation of the annual report.
- Download Section 2 for the template the regulations require local authorities to use for preparing their annual social services reports.

How will the Act affect the way you work?

This series of infographics illustrate how the Act will affect social workers, occupational therapists and other social care and healthcare professionals. They are available to download below.
