

Making a positive difference to care in Wales

Our strategic plan
2017-2022

Provide public confidence

We want people to have confidence in the social care sector and in the effectiveness of Social Care Wales

Develop the workforce

We want Wales to have a sufficient, high-quality and skilled social care and early years workforce

What we will do

Lead and support improvement

We want improved outcomes for children and adults who rely on care and support, their families and carers

Our vision

We want every person who needs support to live the life that matters to them

Our purpose

Building confidence in the workforce and leading and supporting improvement in social care
