The 'employer offer' is a wide range of services, support and resources we've created and pulled together for employers to help you in your role.

Regulation - Helping you to provide professional and safe care and support

- Access to a Register of professional workers in social care.
- Registration guidance resources and videos.
- Codes of practice and guidance for those working in social care.
- SCWonline portal to manage registrations.
- Fitness to practise processes for reporting and dealing with concerns.
- One-stop-shop for a range of resources about Wales's social care legislation.

Supporting your workforce - Helping you recruit new people, retain and support them

- WeCare Wales campaign, a jobs portal and guaranteed interview scheme to support recruitment and retention in the sector.
- A care worker card for anyone who is employed in a care role in Wales, to recognise those working in the sector and provide access to various benefits.
- Support for registered people, victims and witnesses involved in fitness to practice investigations and hearings.
- Workforce well-being information and resources, including Canopi.
- Information on qualifications, bursaries, apprenticeships and funding.

Improving services - Access to resources, data and information to improve practice

- Opportunities to engage with us and help shape our work.
- Resources to support learning and understanding of subjects like dementia, early years and childcare, personal outcomes and safeguarding.
- Opportunities to attend events, training and conferences.
- Access to information on our approach and plans for research, data and innovation across social care.
- Resources to help you use Welsh at work.
- A Wales Social Care Data Portal to help build a picture of social care and support across Wales.
- Access to the NHS Wales e-Library for registered social workers and a range of registered social care managers.
- A range of online learning modules.
