

Do you want to earn as you learn? Are you aged 16-24?

- *Are you caring and understanding?*
- *Do you like every day to be different and challenging?*
- *Do you want to get paid while getting skilled?*
- *Would you like the opportunity to follow an excellent route to help you achieve a successful career?*

Yes? ...then you should consider an Apprenticeship in early years, child care or social care!

Many people at different points in their lives will need to access care whether this be for their young children in day care or adults who may need extra support to do tasks we all take for granted. Individuals who work in care provide tht support & assistance.

Social care is an extremely rewarding choice of career with a huge range of opportunities and jobs to choose from.
