

APPRENTICESHIPS EMPLOYER CHAMPIONS

The Care Council is launching a new initiative to raise awareness of apprenticeships. The Apprenticeships Employer Champions will encourage and increase participation and share good practice with the sector.

We're looking for employers with experience of apprenticeships who are eager to share their experiences and promote the benefits to other employers in the Health and Social Care and Children and Early Years sector.

WHAT DOES AN APPRENTICESHIP CHAMPION DO?

As champions you will:

- Share best practice and promote your training strategy for the benefit of the sector
- Raise the profile of the sector
- Promote career opportunities and pathways within the sector
- Improve the quality of service delivery by helping ensure staff have relevant skills and knowledge
- Offer telephone support to other employers considering taking on an apprentice
- Support the Care Council to develop and implement the strategy
