

Training pack resources

Introduction

Provides an overview of the course, who it is aimed at and the potential use. Information about the assessment and participants will help ensure clear targeting and explain the assessment component of the programme where applicable.

All Wales induction framework for health and social care

The training has been based on the L2 Award in Social Care Induction unit 'Induction to safeguarding in social care in Wales'.

Lesson plan and presenter information

This provides an overview of the key areas to be covered and how it links to the workbook that participants may complete as part of the assessment process.

Presentation

The presentation was developed to be used in a training session and includes facilitator notes for guidance.

This allows organisations to edit the presentation for their own use.

Activity sheets

These are to be used during the training and instructions are also contained within the PowerPoint presentation.

Hand outs

These are to be given to participants as supporting materials for their learning.

Practice reviews

Copies of summaries of practice reviews needed for Activity 7.

An issues recording sheet has also been included for participants to record the information needed to complete the activity.

Evaluation form

To be used at the end of the training session.

Personal action plan

To be used by participants to record what they have learnt in the training session.

Workbook

The workbook is used in the assessment of the knowledge and understanding areas of the training. The workbook can be used for gathering evidence for accreditation purposes or as an informal method of checking knowledge and understanding. Note an additional question is likely to be needed to cover Learning Outcome 1.3 of the unit 'Explain why it is important to report any concerns about possible harm, abuse or neglect immediately.'
