Progress logs record the achievement of learning outcomes for each section, covering knowledge learning outcomes and practice learning outcomes of the AWIF for early years and childcare managers.

How to use the progress logs

You should complete the progress logs for each section, making sure there's evidence to support your knowledge, understanding or practical outcomes.

There are workbooks to help you achieve your knowledge learning outcomes (part A) and there's a guidebook to help you gather evidence to achieve your practical learning outcomes (part B).
