Resources to support people who work with children and families.

Toolkit: using values-based recruitment in children's residential social care in Wales

Show

[**A practical toolkit for residential children's care settings**](#), with tips and templates to help you recruit – and support – employees who align with your culture, and are encouraged to stay with the organisation.

You can also [**watch videos to go with the toolkit**](#).

Traumatic Stress Wales webinar series

Show

We've produced a series of webinars to support your work in children's residential settings.

These webinars can support anyone who works with children who may have experienced trauma. There are five webinars, which cover:

- therapeutic environments
- neurodivergence and trauma
- trauma informed leadership
- trauma informed practice
- vicarious trauma.
