Welsh Government has produced a number of factsheets and infographics relating to the Social Services and Well-being (Wales) Act, some of which you can find below.

## **Performance Measurement Framework**

[This factsheet](#) provides information about the performance measurement framework for local authorities in relation to their social services functions under the Act.

## **Social Services National Outcomes Framework**

[This factsheet](#) has information about the social services national outcomes framework for people who need care and support, and carers who need support.

## **The Local Authority Annual Social Services Reports**

This guidance supports local authorities to prepare their annual social services reports.

Download the guidance in two sections:

- [Download the Section 1 for background and guidance on the preparation of the annual report.](#)
- [Download Section 2 for the template the regulations require local authorities to use for preparing their annual social services reports.](#)

## **How will the Act affect the way you work?**

This series of infographics illustrate how the Act will affect social workers, occupational therapists and other social care and healthcare professionals. They are available to download below.
