Overview

This set of five factsheets, developed by Disability Wales and the Social Co-operation Forum, are designed to help you implement the Social Services and Well-being (Wales) Act 2014, with a specific focus on user-led co-operatives.

The resources aim to increase awareness, knowledge and understanding of user-led co-operatives in providing social care and support; inspire the development of user-led co-operatives delivering social care and support; and provide information to support the development of user-led co-operatives.
